Annual General Meeting Recap

At our 2025 AGM, two new committee members were appointed - Jeff Lawrence & Ngaire Moore - and we acknowledged Em Seinemier with thanks as she concluded her service on the committee.

ACMN continues to deliver in-service up-skilling for Christian mentors, most of it included in the annual fee. In 2025 we introduced Masterclasses for our professional members. The sessions were well-received and will be offered again in 2026.

Financially, we had a slightly better than break-even result, even though our membership numbers have reduced. There was some discussion around factors affecting membership renewals/lapses as well as variation observed in each category total, with an increase in professional members.

Thanks was expressed to our Coordinator, Carmen Wagenaar, who now has some assistance from Harriet Brown. Together they do an amazing job of keeping our network organised.

This AGM reminded me how much I value the partnership in mentoring we share in the ACMN, and how glad I am to be connected to such a great bunch of people. - Rick Lewis
